

INC, Inc. KICK-EEZ PRODUCTS

Introduces the new
KICK-EEZ[®] **Dura-Pad***

The **Dura-Pad*** is an *innovative* design that incorporates the durability of a rubber pad and the recoil reduction of a Sorbothane[®] pad. It is made of solid Sorbothane[®] with a thin exterior coating of rubber to enhance its durability. It was created especially for conditions requiring an exterior for *extreme* conditions such as the Military and Special Forces and will be available as a Special Order item only.

*Patent Pending
